

MISSOURI SCHOOL LIBRARY SNAPSHOT DAY

On April 23 and April 24, 2019 school libraries across Missouri participated in "Missouri School Library Snapshot Day". School librarians collected information, comments, and photographs regarding the activities in their libraries on a typical school day. The results below provide indisputable proof that school libraries in Missouri consistently provide invaluable service to our students.

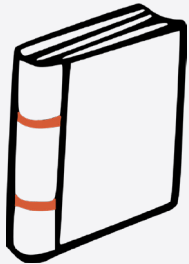

In just one day...

10,425 people/students walked through the doors of Missouri School Libraries.

2,297 collaborative lessons/student events occurred in Missouri School Libraries.

57 meetings or other events were held in Missouri School Libraries.

7,020 books, movies, and more were borrowed from Missouri School Libraries.

447 questions were answered at Missouri School Libraries.

5,734 people/students used computers in Missouri School Libraries.

1,675 people used Missouri School Libraries databases (both internal & external).

381 – hours Missouri School Libraries were open.

372– hours Missouri School Libraries were staffed by a librarian.
